Dear Mr. Stearns:

This letter is to inform you that the Regulatory Commission of Alaska (Commission) rejects the tariff filing of Talkeetna Refuse (TR) designated as TA1-465, filed June 10, 2022. The filing does not comply with the Commission's form and filing requirements,¹ failing to include all information required by 3 AAC 48.275(b). Specifically, the filing does not include cost justification for the rates.²

In its December 2, 2021 letter to TR, the Commission included information related to TR's initial tariff filing. That letter indicated that cost justification for the rates included in TR's tariff must accompany the initial tariff filing.³

Unless the filing is supplemented by June 22, 2022, the Commission will close the tariff advice file and return the filing to you. Should TR choose to correct the deficiencies, the 45-day review period will begin once the filing fully complies with the Commission's form and filing regulations.⁴

¹ The Commission may reject the filing of all or part of a tariff that does not comply with the agency's form or filing regulations. See AS 42.05.361(c). The current statutes and regulations can be found online at the following web address: <http://rca.alaska.gov/RCAWeb/AboutRCA/RCAStatutesAndRegulations.aspx>.

² 3 AAC 48.2275(b)(3) which provides that cost justification for initial, inception, or periodic rates established for new equipment or services added to the utility tariff.

³ See TR2106549, issued December 2, 2021, at page 5.

⁴ AS 42.05.411(a) for 45-day filings that provides a public utility may not establish or place in effect any new or revised rates, charges, rules, regulations, conditions of service or practices except after 45 days' notice to the commission and 30 days' notice to the public.

If you have questions regarding this letter order, please contact Cameron Rollins at (907) 263-2121.

BY DIRECTION OF THE COMMISSION

Sincerely,

REGULATORY COMMISSION OF ALASKA
